"WATER ACT."

BEFORE THE BOARD OF INVESTIGATION.

In the Matter of all Streams flowing into or draining into the Thompson River from the South and East between Three-mile Creek, near Savona, and the Mouth of the Nicola River, but not including the said Nicola River; and in the Matter of all Claims of Persons holding or claiming to hold Records of Water under any Act or Ordinance passed before the 12th Day of March, 1909.

A MEETING of the Board of Investigation will be held at the Court-house in Ashcroft on the 17th day of March, 1915, at 10 o'clock in the forenoon.

All statements of claim to water privileges on those respective streams, all objections thereto, and the plans prepared for the use of the Board will then be open for inspection.

All persons interested are entitled to examine these, and to file objections thereto in writing if they deem fit.

At this meeting claimants who have not previously done so shall prove their title to lands to which their water records are appurtenant. This may be done by producing, in case of Crown-granted lands, the title deeds or a certificate of encumbrance or other evidence of title; or in case of lands not held under Crown grant, by producing the pre-emption record, the agreement of sale, the mining record, a certificate of search in the Dominion Land Office, or other documents of title.

Objections will be heard forthwith if the party objected to has received sufficient notice of the objection.

The Board at the said meeting will determine the quantity of water which may be used under each record, the further works which are necessary for such use, and will set dates for the filing of plans of such works and for the commencement and completion of such works.

And whereas there may be persons who, before the 12th day of March, 1909, were entitled to water rights on the said streams and yet have not filed statements of their claims with the Board of Investigation, such persons are required to file on or before the 10th day of March, 1915, a statement as required by section 294 of the "Water Act, 1914," or section 28 of the "Water Act" as amended in 1913. Forms (No. 50 for irrigation, and No. 51 for other purposes) may be obtained from any Government Agent in the Province.

Dated at Victoria, B.C., the 2nd day of February, 1915.

For the Board of Investigation.
